SIR,

I have the honour to state that the vacant land --- coloured red in the accompanying plan, lying in block No 9, Lashkar Mohalla, Mysore, between the Wesleyan Mission Boys' School and the Tailors' New Temple in the Chamal Street and known to belong to Fakir Mahamed Sait and Isak Sait has been left neglected from a long time owing to some civil disputes among parties interested in it, to the detriment of public sanitation It was on the latter ground deemed expedient to acquire the said land, run a road across it north to south as shown on the plan and thus save the possibility of any ---- eventual disputes likely to arise otherwise from the existence of a Hindu temple on one side of it and a Christian institu--tion on the other The Board therefore resolved that the said vacant land be acquired A copy of their resolution No XV of the 28th July 1909 is enclosed herein

2 It may also be stated that the intended road has been demarcated and roughly formed already, and that the owner does not set forth any particular objection to its acquisition but only wants it to be deferred pending the settlement of -- certain cross claims said to be existing thereon
